CAMP CHAOS

Week 6

Group Announcements:

Kiddie Camp

Week seven is bitter sweet, if only we were saying good-bye to just the heat. We have something we want you all to hear, so get ready and put on your mickey ears! On Tuesday, August 12, will be Disney Day. We have so much magical fun on the way. Look at all of our luck because we'll also get to see the firetruck! On the last day of camp guess who we'll get to meet? A magical visit from the camp wizard will sure be a great treat! It's such a bummer that we are approaching the end of summer.

Kindergarten Sapphire

It's hard to believe week seven is here, let's wrap it up with fun and cheer! Tuesday is Disney Day (8/12), so don't forget to dress the part as a character you love with all your heart. On Friday we'll meet the wizard too, for one last adventure with all of you. We'll miss you so much but don't you fear, have so much fun in kindergarten this year!

First Grade Jade

We can't believe this summer is already coming to an end. First grade had such a blast with Pirate Day and Color Wars, we will be sure to make our last week together the best yet! We want to wish everyone an amazing rest of the summer. These soon-to-be first graders are ready to rock and roll into the new school year! We will miss them so much.

Love,

1st Jade Counselors

Second Grade Deep Royal

What a fun filled week we had here in second grade. Green took home the win in Color Wars with red not far behind! We competed in games like, steal the bacon, gaga and four square. The best part of the week was by far Pirate Day! Cannonball chaos was an epic way to start our day, watching balls launch all around the volleyball court! It's hard to believe next week is already week 7!

CAMP CHAOS

Week 6

Group Announcements (Continuation):

Third Grade Lime

Week 6 was an absolute blast! The highlight by far was the Color Wars. The campers went all out in team challenges filled with smiles, cheering and doing their best! We had a fun filled Sue Day, dedicated to Sue's favorite games. The campers got to cheer on their counselors to support them during lunch at whiffle ball! We are so sad our summer with 3rd grade is almost over but we can't wait to finish strong in week 7!

Fourth Grade Carolina

Fourth grade had an overall great week of camp. We started it off strong with Sue Day on Monday then got to follow it up with Color Wars on Tuesday. Team Yellow secured the win after a long day of competing! Our fourth graders were getting super competitive with four square and our favorite game, steal the bacon. Overall we're super excited to spend these last couple days of camp together! We plan on hosting a kickball tournament next week as a fun last activity week!

Fifth Grade Red

Week 6 was the ultimate week of fun for 5th grade. We started Monday with Sue Day, which consisted of a lineup of great new games the kids loved. We continued the fun with Color Wars, where we were brought to an intense tie which ended with the red team taking it home. The campers also had a blast at street hockey, camper-counselor Pickleball tournament and watching the counselors compete in the whiffle ball tournament.

Sixth Grade Royal

We can't believe it is almost the end of camp! We ended week six with our counselor camper Pickleball tournament and highly competitive Color Wars. Looking forward to playing our favorite camp games during week 7. Thank you for a wonderful summer!

-6th Grade

Seventh Grade Neon Green

7th grade had a busy week six! Campers participated in the first ever Sun Cup, a futsal tournament, a field hockey clinic and Color Wars! We're looking forward to the last week of camp when we will have a whiffle ball tournament. Thank you for a great summer!

Eighth Grade Sky

Happy week 7!! Camp flew by but we still have one more week of fun. Campers can look forward to our basketball tournament, whiffle ball tournament and flag football tournament. This week campers enjoyed Color Wars and competed hard! Thank you all for a great summer!
